**Formas de matar un puerco
(policía, militar o cualquier facista)**

Por Kiskalus

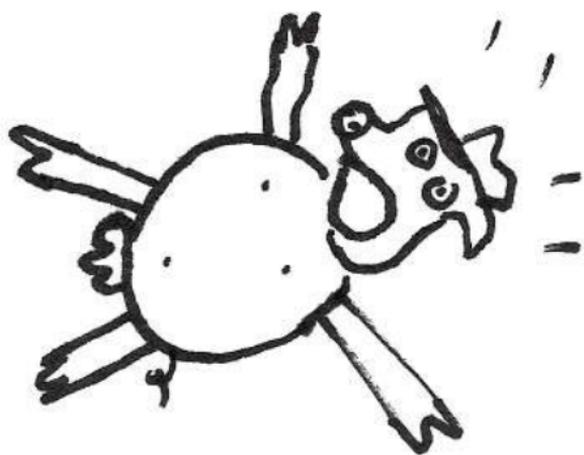

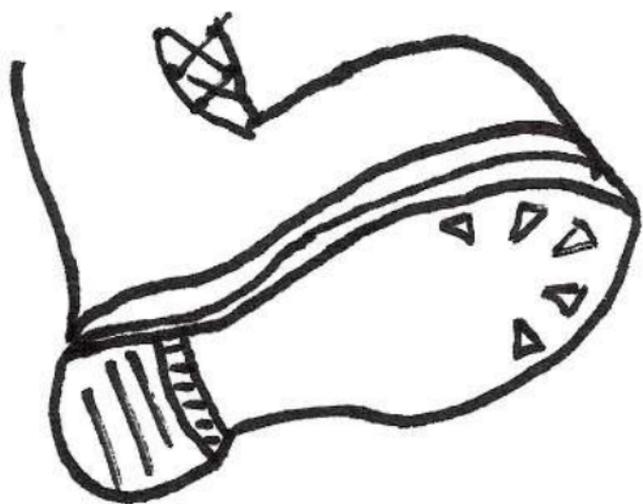

CDMX, 2020

Formas de matar un puerco surgió como una pequeña serie de fanzines fotocopiados que se repartieron de manera gratuita en manifestaciones, conciertos y transporte público. En este ejemplar se reúnen todas las ilustraciones publicadas en los fanzines y varias inéditas.

**Donde exista una clase baja, estoy en
ella; mientras exista un elemento
criminal, soy parte de él; y mientras
esté un alma en prisión, no estoy libre.**

Eugene V. Debs
